By Angel Femia  
LoveCry

love you as I love this sky and stars

**Yes We Love**  
Angel Femia  
Yes we love  
But Love is not Possession  
Love is not Ownership  
To Love we must Share  
Without sharing there is no Love  
To Love we must Give  
To not give is being without Love

To Love we must Drop our Pride  
For to be Proud is to Kill Love  
To Love we must also Drop our Egos  
As Ego's play games with Love  
And Hurt us all

To Love we must Feel each Others Feelings  
Joys and Sorrows  
To Love we must Care  
For each Others Feelings

As well as our own  
To Love we must Recognize our Wrongs  
Correct them and Love again

To Love we must Forgive  
Forgiveness is the Key to Love  
Yes we must love

**Not Here For You To Own!**

Angel Femia  
You will not get me to need you  
As I stopped needing years ago  
You will wrap me inside you energies  
But I will force you to let go  
You will try to make one love you  
But you've had that all the while  
Now were it comes to possession  
I refuse to walk that mile

But if you want care and kindness  
The door is open here

But love, I see you fear

You want my body, mind and time

But not my open heart  
Since I'm not here for you to own  
You cannot find how to start.

**Selfish Existence**

Angel Femia  
Are you satisfied, that you got your way?  
Do you smile, at the end of the day?  
Did it hurt, to see how cold you can be?  
Using others to succeed in your scheme.

When you close your eyes, are you able to sleep?  
Is your mind clear, and joy yours to keep?  
Or is your guilt rising, blocking your rest?  
Are the pictures of others, crying, filling your head?

Manipulate and control, causes horrid pain,  
Is this what you live for? What a waited brain,  
Taking and hording, no matter the price,  
A selfish existence, you better think twice.

**Change!**

Angel Femia  
A misty fog

Covers my mind  
As a heart wrenching pain  
Rips through my soul  
Thunder crashing, blood rushing

Electric shock waves  
Mind torturing memories  
Crushing me, as I watch  
One world fall  
Dreams tare into shreds  
Of yesterday

Down on the ground  
I lift my head  
I've let it go, as tear drops fade  
The pain lightens and the sun shines  
As it brings in the change  
Thunder turns to rolling waves

Calming down the shocks  
Brightening and re-arranging  
I get up and start  
Embracing the newness  
Of today!

**I Wish To See Love!**

Angel Femia  
I could be selfish  
I shoes to love  
You ask me why  
Say you don't understand  
You tell me stories  
Of others whom have tried  
To love in a world  
Filled with hatred and pain  
Just to love

My answer is clear  
If I do as you say  
I will never know the truth  
I will never truly care  
I will never understand  
Why we even exist

I've seen success filled with despair  
I've seen popularity filled with loneliness  
I've see selfishness turn to bitterness and anger  
I wish to see LOVE!

**Miracles!**

Angel Femia  
Beams of sunlight  
Brighten the sky  
In this morning mist  
I feel so alive

Dew on the pedals  
Of flowers and grass  
I walk in this field  
Amazing to hold

Smiles from the eyes  
Of a child as she plays  
In the sand in the box  
Such a happy daze

Birds flying by  
Singing their song  
Feel so excited  
All sadness is gone

.....  
Blessings and Love  
Angel
