

Thank You Readers!
 We work hard behind the scenes to make the paper progress as usual. However, money to do so is always a problem — if you see fit to send us money we will use it to improve our websites as well as this tabloid. Our homeless and/or abused vendors receive \$18,000+ monthly through our volunteer efforts but the money doesn't get back to us as we operate as an unregistered charity. We're in our 10th year; we donate below cost or even free to all of our street vendors who are sometimes fined \$95.00 by police even when they have written permission to stand in front of a store; we know you are hooked on buying *Toronto Street News* the most advanced news and concept-related paper in Toronto— so send us some support money directly! Our defense fund also needs money to survive against even more powerful negatives forming up currently; Federal grants for writers are given to other papers at your taxpaying expense. Harper blacklists us from government advertising for Canada Savings bonds, etc. *Can-West Global TV/ National Post /Mossad* researchers do not write info for Canada's best interests apparently as it continues falling as a penny stock at as low as 34 cents. Now they're laying off employees too.

Our Jewish owner does not appreciate backbiting by zionists there and elsewhere.

The pen is mightier than the pig.— VPF

Commissions are paid for acquiring newsstands, gas stations, etc. to accept *Toronto Street News* for sale.

Thomas Jefferson Knew About The Banksters
 "I believe banking institutions are more dangerous to our liberties than standing armies!
 If the American people ever allow private banks to control the issue of their currency, 1st by inflation, then by deflation, the banks & corporations that will grow up around the banks will deprive the people of all property until their children wake-up homeless on the continent their fathers conquered." - Pres. Jefferson 1802
 Foreclosures now in millions

What people forget about Afghanistan:
 2 world powers -- Russia, then the U. S. have seen to it that the country is bombed back into the stone age. Then, when they produce at our command: TWO BILLION \$ DAILY in opium source of drugs we expect that country's populace to act like saints!
 Canadian troops currently protect the oil pipelines' profit in Afghanistan.
 Obama is sending another 30,000 troops to help the oil effort firstly and control/conquer the country.
 Taliban forces could be considered to be freedom-fighters by some observers..
 Canadian troops, as reported in the *Toronto Star* twice are required to ignore boy-child-rape including the interpreters that the Canadian army hires -- who rape boys whose entrails hang out of their rear ends.
The only female MP in Afghanistan was kicked out of the legislature when she charged her fellow MPs and cabinet ministers of being drug lords after touring Canada.
 The only thing that Afghanistan could appreciate would be a different approach by Obama and Harper. That is not going to happen.
 So, yes, Obama is just another god-damned son of a bitch imperialist who wants his own oil profits in that victimized country.

 Pray For The Speedy Peaceful Dismantlement Of The State Of "Israel"

Our homeless need \$1,000
 for food, backpacks, etc. that we give away.
 It was cut off this year by zionists who no longer donate for homeless.
