

make sure you're not spending to do it.

Cancer: Career ideas are to be listened to; support is there for trips, promotion and you'll

be energized to move speedily.

Leo: Promotion, long distance travel, thought turns next to hard business and earnings. Watch for a stage star to rain down some bucks.

Virgo: Avoid being a target of confrontation the 16th and beyond; be ready for real estate moves big-time for the rest of the year.

Libra: Home front energies require pleasurable renovation; career matters get a lift energy-wise.

Scorpio: Around the 18th is

a day that can really jump money-wise. Be sure to be alert to communicate with powerful allies!

Sagittarius: The 18th will see things move with magic and power but stay away from really direct contact!

Capricorn: Direct yourself in communicating well with a favourite person — there's also dollars there; the universe can move with power and you'll be able to move it.

Aquarius: Home front energies and decorating become a focus.

Pisces: A partner is not to be picked on but you do attract sudden visitations!

In August 20, 2001 I predicted on these pages a 911 tragedy to occur within 30 days. I also predicted the exact day the bombing would stop in Serbia several weeks in advance. Unfortunately, the New World Order types also plan events to coincide with what disasters astrologers suggest will happen.

I offer a monthly update on your individual horoscope if you wish to receive this for a small fee.

See ad below.

Till Apr. 30 / 2008

17th & 18th are fraught with energies too powerful and tricky — especially in surprise liaisons.

Aries: Thoughts themselves are an impetus to make projects start now.

Taurus: Behind the scenes meditations are worthwhile; you may relate to a profitable business idea/person. You can be a powerhouse the

Gemini: Professional associates get a move on with your help. Career energies of the creative type can be an aid to help you make money but
