**Make the paper survive!**  
 We are working hard behind the scenes to make the paper progress as usual. However, money to do so is always a problem — if you see fit to send us money we will use it to improve our websites as well as this tabloid. Recent donations enable us to go back to our 16 page format! **City Hall resumed welfare benefits for volunteers at the paper. We sell out in just 6 days; our homeless vendors receive \$18,000+ through our efforts but the money doesn't get back to us. We're in our 9th year; we donate below cost or even free to all of our street vendors who are sometimes fined \$110.00 by police even when they have written permission to stand in front of a store; we know you are hooked on buying Toronto Street News — so send us some support money directly! Our defense fund also needs money to survive against even more powerful negatives forming up currently.** — VPF
